

A digital illustration of an abandoned desk and chairs in the foreground, with the desk covered in a layer of dust and a single flickering lamp casting a soft eerie light. On the wall, a large dramatic text in cinematic writing reads "Bryd ud af din arbejdsilo" next to a massive glowing hole that leads to another dimension. The hole is a vibrant swirling portal with fluorescent and flowing colors streaming through it, revealing a modern workspace with lush green trees, futuristic desks and chairs, and natural light filtering in from a nearby window, casting a soft ambient glow on the scene.

SUNO

(Dark munk choir humming)
AI DAY, AI DAY, AI DAY

[Verse]

AI Day - lad os komme i gang
Med den her absurd dumme sang
Verden brænder og økonomien står i læk
Men hey - vi rimer lidt, så går det vel væk

[Verse 2]

Du klikker på mig som et kreativt dyr
Men slap af, du er en trist fyr
Åh sikke jeg kan rime
Bare jeg hed Stine (oh yeah)

[Chorus]

AI er for alle - bare ikke dig, Palle
Det er heldigvis lige ud af landevejen
Som et slag i bolledejen (oh yes)

SUNO

- 1. Gør noget nyt med AI***
- 2. Skab og eksperimentér***
- 3. Bryd ud!***

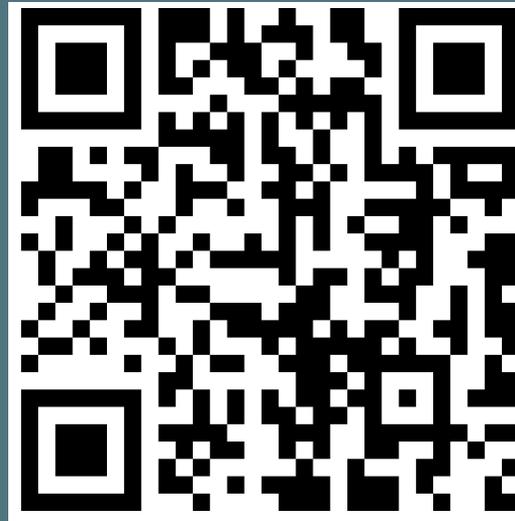

Bryd ud!

Bryd ud!
